

MUNSTER UNITED CHURCH
2881 Munster Rd, Munster, ON

How to prepare for Picture Day:

Coaches:

Please arrive 5 minutes early and register your team. We will ask you for a team name and all the coaches names that would be associated with your Team. Please make sure your convenor (Michelle or Brenda) has this information to email to us. We can add it to the data and this will save some time on picture day. We personalize the products with Team Name and we add coaches' names to trader cards. Also coach, please bring a nice clean softball bat to use in pictures. Thanks!

Please pass the following information to your team's parents ahead of time:

Parents/Players:

- Refresh your softball uniform so it's nice and clean and don't forget your hat.
- Arrive just before your appointed time – to have time to finalize your order form and then gather with your team members
- We start early with individual photos (players that are ready) and then we take your team photo at about the time scheduled with the photographer.
- Choose your pose – with glove or with bat which means you need to bring your glove only if you wish to be photographed with it and if you prefer to be photographed with your bat you can bring it also! Or there will be a team bat to use for photos.
- Order form must be completed and paid before the individual photo is taken. Please give yourself enough time to do so. Additional order forms and samples are available on Picture Day!
- Payment method – Cash, Cheques, Credit Card and Debit are accepted on site.
- Photo samples and order forms will be available on picture day.
- **Please take a moment to view the [order form](#) ahead of time and read the information on the order form as we are introducing many [new products](#) this year and there's [lots of choice](#)!**

We look forward to seeing everyone and capturing some amazing memories. Bring your smiles and let's have fun together!
